

## **CIO Council Minutes**

February 28, 2008

1:00 p.m. – 3:00 p.m.

Judicial Branch Building, First Floor West Conference Room 165

**Welcome and Introductions: Rick Hindman**

**HP – Desktop Roadmap & Customer Satisfaction Issues: Aaron Bennis**

- Aaron Bennis is the HP Account Manager
- Steve Dixon is the HP Customer Satisfaction Manager for our account.
- HP will hold quarterly meetings.
- DC 5700 will be available for purchase until June 2008.
- The DC 5800 will replace the DC 5700. Benefits include green power supplies, faster hard drives. Machines can be built with a custom image.
- Microsoft XP operating system will be gone in January 2009 and Vista will be required.
- Verdiem – remote power management.

**JCIO / TGB Updates: Wes Hunsberger**

- The IT standards page on the Web site includes standards that are obsolete or need to be updated. Wes is requesting feedback in time for the standards committee meeting in April.

**ISO / Security Sub-committee Updates: Greg Fay**

- Alison Radl will be doing agency risk assessments.
- Removeable storage encryption standard is effective March 31, 2008.
- Check the TGB Web site for information on the mobile device security standard.
- Laptop encryption update.
- Secure transfer of data – email encryption.
- Data leakage.
- Enterprise-wide compliance assessment.

**Roundtable Discussion: All**

**Adjourn**
